**Explanation of Responses:**

- Restricted Stock Units (RSUs) granted under The Allstate Corporation 2017 Equity Compensation Plan for Non-Employee Directors providing that each RSU represents the right to receive one share of Allstate common stock following either a standard restriction period or a deferred period of restriction if elected. The RSUs reported will convert into common stock on the tenth anniversary of the date of grant, except in the event of the reporting person's death or disability, which will cause the RSUs to convert on the day following the date of death or disability.
- These common share units were acquired pursuant to The Allstate Corporation Amended and Restated Deferred Compensation Plan for Non-Employee Directors and represent director's fees deferred under the Plan and converted into units based on the market value of The Allstate Corporation's common shares. The units are credited with amounts representing dividends on common shares, as declared, which are also converted into units. For the period of October 2, 2022 through April 1, 2022, the reporting person acquired 90.29 of common share units representing those dividends.
