Explanation of Responses:

1. These common share units were acquired pursuant to The Allstate Corporation Amended and Restated Deferred Compensation Plan for Non-Employee Directors and represent director's fees deferred under the Plan and converted into units based on the market value of The Allstate Corporation's common shares. The units are credited with amounts representing dividends on common shares, as declared, which are also concerted into units. For the period of June 1, 2013 through September 1, 2013, the reporting person acquired 4.887 of common share units representing those dividends.
