### FAQ, other documents aim to help employees understand proxy voting process, proposals

Allstate began sending annual meeting materials to stockholders on April 8.

The annual stockholder meeting takes place May 21 and gives stockholders – including employees who hold shares through the Allstate 401(k) Savings Plan – an opportunity to voice their opinions on the election of the board of directors and other matters presented for a vote.

[This FAQ document](#) and this [overview of the 2019 annual meeting's proposals](#) can help employees better understand the proxy voting process and proposals. In addition to these materials, the corporation advises that all stockholders read the [Notice of 2019 Annual Meeting, Proxy Statement and 2018 Annual Report](#) before voting. Information specific to this year's proposals and the voting process begins on page 4.

## **Frequently Asked Questions**

Employee Stockholders' Guide to Voting on Annual Meeting Proposals

### **What is proxy voting?**

Voting by proxy allows stockholders to voice their opinion on important issues that will be considered at Allstate's annual stockholder meeting without having to attend the meeting. Stockholders can vote in advance on the matters to be considered at the meeting.

### **Why are stockholders' votes gathered this way?**

Voting by proxy is a common practice among publicly traded companies because it allows stockholders to express their opinion without having to attend the company's annual meeting. Typically, few stockholders attend a company's annual meeting in person. Widely-held companies like Allstate have stockholders around the world; voting by proxy is a more convenient way to vote shares on proposals.

### **Why do stockholders have a vote?**

When someone has an investment interest in Allstate or another company's stock, they have a financial stake in its success. Our annual stockholder meeting and vote give stockholders an important opportunity to voice their opinion on the election of the board of directors and other governance matters.

Through the annual meeting process, employee stockholders have an opportunity to influence the company's corporate governance by voting their shares, just as they help to drive Allstate's success through the work they do every day.

### **Why is Allstate encouraging me to vote?**

Every vote matters, including those of our employee stockholders. All stockholders – including employees – are encouraged to vote.

### **Why is Allstate providing more information about the annual meeting and vote?**

It is important for employee stockholders to understand the issues and add their voices to the dialogue. The proxy vote process and issues up for vote can be confusing, and we don't want that to discourage employee stockholders from participating. As with any significant decision, it is important to gather the facts and feel comfortable with the process.

To help, Allstate offers an overview of proposals that provides more information about the issues. This resource is meant to help employees feel comfortable with the voting process and issues up for vote.

---

## **What issues are up for vote in 2019?**

Allstate stockholders will be asked to vote on governance items, including the election of the board of directors. More information is available in the Notice of 2019 Annual Meeting and Proxy Statement.

Please review this information before voting.

The items up for vote are:

1. Election of 10 directors
2. Say-on-pay — advisory vote to approve the compensation of the named executives
3. Approval of the 2019 Equity Incentive Plan
4. Ratification of auditors — ratification of the appointment of Deloitte & Touche LLP as Allstate's independent registered public accountant for 2019
5. Stockholder proposal on reporting political contributions

## **How can I vote?**

Employees who own shares of Allstate stock will receive a notice that the proxy materials and voting instructions are available. Most of these employee stockholders will begin receiving it by email from The Allstate Corporation during the week of April 8, with the subject line "Vote now on The Allstate Corporation's Annual Meeting proposals," while others will receive the email from their broker. Some employees may receive materials by postal mail if they previously selected this delivery option.

In either case, stockholders may vote by following the instructions in the materials.

## **How do I set my delivery preferences for proxy materials?**

Each year, an Allstate NOW article is published to remind employees that they can opt out of electronic delivery of proxy materials. However, employees can change their election at any time by following the processes set forth in the materials they receive.

## **Will Allstate leaders or employees know how I vote?**

No. Allstate has a confidential voting policy that applies to all votes cast, including employee votes. All votes are confidential and managed by an outside firm to maintain confidentiality, except as necessary to allow the inspector of election to certify the vote result or meet certain legal requirements. The votes are tabulated by an independent outside vendor, and the results are certified by an independent inspector of election. However, if a stockholder provides a comment on his or her ballot, and knowing the vote is important to understand the comment, then the comment and the vote may be disclosed to the corporate secretary.

---

**What happens if I don't vote?**

Stockholders who decide not to vote will miss an opportunity to voice their opinion. However, the decision about whether to vote will not affect their status as an Allstate stockholder. The trustee of the Allstate 401(k) Savings Plan, The Northern Trust Corp., will vote any shares not voted by plan participants. If less than 50 percent of shares held by participants are voted, the trustee would use its sole discretion to vote unvoted shares. If at least 50 percent of the shares held by participants are voted, the trustee would vote all other shares in the same proportion and in the same manner as the shares that have been voted, unless to do so would be inconsistent with the trustee's duties.

**When will the annual meeting take place? Can I attend?**

The annual meeting is scheduled to begin at 11 a.m. on Tuesday, May 21, at West Plaza Auditorium in home office in Northbrook, Illinois. All Allstate stockholders are invited to attend. Registration begins at 10 a.m. Stockholders are encouraged to pre-register to attend the annual meeting by following the instructions in the proxy statement. You may also register on-site, but to do so, you will need to bring information with you to be confirmed as a stockholder.

- If you hold your shares beneficially (through a bank or broker), you must bring a statement showing your ownership on March 22, 2019, in order to attend the meeting.
  - Participants in the Allstate 401(k) Savings Plan may attend the meeting, but may not vote the shares credited to their accounts at the meeting. All voting instructions for shares in the Allstate 401(k) Savings Plan must be received by May 16, 2019, so the trustee can tabulate and vote the shares.

## **Understanding the 2019 Proposals**

### **Employee Stockholders' Guide to Voting on Annual Meeting Proposals**

Each year, Allstate stockholders are asked to consider and vote on proposals related to important governance matters. Some of the issues can be challenging to understand. The 2019 proposals are listed below, followed by explanations to help you understand the matters up for vote.

The proxy statement and the descriptions below provide the vote recommendation of the Allstate board of directors. These recommendations are based on the board's view of what is best for stockholders and the corporation. Please review the proxy statement and annual report before voting. The board recommends you vote "FOR" each director and Proposals 2, 3, and 4, and "AGAINST" for Proposal 5.

### **Proposal 1 – Election of 10 directors**

#### **Who are the directors of The Allstate Corporation?**

The Allstate Corporation has 10 nominees for election as directors at the 2019 annual meeting. Nine of the directors are independent from Allstate, which means they are not Allstate employees and have no relationships with the company that would create a conflict of interest that would impair independence. Tom Wilson, chair, president, and CEO, is the only Allstate employee on the board. For more information, see the biographies of the board members, beginning on page 11 of the 2019 proxy statement.

#### **Why do we vote to elect our board of directors every year?**

Allstate's practice of electing each director every year is considered good governance, as it allows stockholders the opportunity to vote on each director's continued service annually.

#### **What is the vote standard required to elect an Allstate director?**

Each Allstate director must receive a majority of affirmative or "for" votes out of the votes cast. Some companies apply a plurality vote standard, which means a director can be elected by less than a majority of votes cast.

### **Proposal 2 – Say-on-pay – advisory vote to approve the compensation of the named executives**

#### **Why do stockholders get to vote on executive compensation?**

The Dodd-Frank Act required public companies to provide stockholders with the opportunity to cast an advisory vote on the company's executive compensation program for named executive officers. The vote is nonbinding, but it gives stockholders an opportunity to voice any concerns about a company's executive compensation program. Allstate's compensation and succession committee (a committee of the board) takes the stockholder vote into consideration when it conducts its annual review of the compensation program.

---

## **How does the board of directors determine executive compensation?**

The compensation and succession committee of the board of directors works with an independent compensation consultant to design an executive compensation program that aligns compensation with the company's strategic and operational business goals. In designing such a program, the committee examines market pay and practices at a group of peer companies and uses the 50th percentile of this peer group as a guideline in setting target direct compensation. To read more about this, see the 2019 proxy statement.

## **Proposal 3 – Approval of the 2019 Equity Incentive Plan**

### **What is the Equity Incentive Plan approval all about?**

We are asking stockholders to approve The Allstate Corporation 2019 Equity Incentive Plan, which amends and restates the 2013 Equity Incentive Plan. The equity plan is an important part of our pay-for-performance compensation program. The board of directors considers equity compensation to be a significant component of total compensation for Allstate's officers and other employees. The material change to the equity plan is an increase in the number of shares of common stock authorized under the plan. To read more about this, see the 2019 proxy statement.

## **Proposal 4 – Ratification of auditors – ratification of the appointment of Deloitte & Touche LLP as Allstate's independent registered public accountant for 2019**

### **Why do we vote to ratify the auditors?**

The audit committee of the board of directors annually appoints an independent registered public accounting firm. Stockholders are asked to ratify the appointment. If the appointment is not ratified by stockholders, the committee may reconsider which accounting firm to appoint. The proxy statement contains details on the fees paid to Deloitte & Touche LLP for 2018 and 2017.

## **Proposal 5 – Stockholder proposal**

### **What is a stockholder proposal?**

Stockholders who meet certain eligibility requirements set by the Securities and Exchange Commission can submit a proposal to be included in the company's annual proxy statement. There is one stockholder proposal in the 2019 proxy statement.

### **Proposal 5**

- This stockholder proposal is asking for a policy to require that Allstate provide a report, updated semi-annually, disclosing the company's political contributions. The board of directors recommends that stockholders vote against this proposal because Allstate already provides significant disclosure of political activities, including information that is not requested by the proponent. Allstate's board expanded its oversight of the Company's public policy involvement in 2018 in response to stockholder input, including instituting a leading practice of having the chief risk officer independently assess this activity for the board. Also, the proposal relates to expenditures that are not significant to Allstate's size and is contrary to the interests of Allstate's stockholders.

See pages 86-87 of the proxy statement for more information.
