Registrant is filing this registration statement for the purpose of giving effect to certain disclosures and related changes resulting from the merger of Northbrook Life Insurance Company ("Northbrook") into its parent company, Allstate Life Insurance Company ("Allstate"), scheduled to occur on January 1, 2003. Following the merger, Allstate will replace Northbrook as the issuer of

the Contracts described herein. This registration statement includes, among other things, a prospectus supplement, dated January 1, 2003, to the May 1, 2002 prospectus describing the Contracts, which prospectus, along with any other supplements to such prospectus, are incorporated herein by reference to SEC File No. 033-84480.

Allstate Life Insurance Company

Supplement
dated January 1, 2003 to the
Custom Plus Annuity Prospectus
dated May 1, 2002

This supplement amends certain information contained in the above-referenced prospectus for the Custom Plus Annuity Contracts ("Contracts"), formerly issued by Northbrook Life Insurance Company ("Northbrook"). Please read this supplement carefully and retain it for future reference together with your prospectus. All capitalized terms have the same meaning as those included in the prospectus.

Merger of Northbrook with Allstate Life

Effective January 1, 2003, Northbrook merged with and into its parent company, Allstate Life Insurance Company ("Allstate Life"). The merger of Northbrook and Allstate Life (the "Merger") was approved by the boards of directors of Northbrook and Allstate Life. The Merger also received regulatory approval from the Departments of Insurance of the States of Arizona and Illinois, the states of domicile of Northbrook and Allstate Life respectively.

On the date of the Merger, Allstate Life acquired from Northbrook all of Northbrook's assets, and became directly liable for Northbrook's liabilities and obligations with respect to all Contracts issued by Northbrook.

The Merger did not affect the terms of, or the rights and obligations under, your Contract, other than to reflect the change to the company that guarantees your Contract benefits from Northbrook to Allstate Life. You will receive Contract endorsements from Allstate Life that reflect the change from Northbrook to Allstate Life. The Merger also did not result in any adverse tax consequences for any Contract owners.

As a result of the Merger, your prospectus is amended as follows:

Replace all references to "Northbrook" with "Allstate Life." All references to "we," "us," or "our" shall mean "Allstate Life."

Pages 12: Under the heading "More Information," replace the section entitled "Northbrook" with the following:

Allstate Life

Allstate Life is the issuer of the Contract. Allstate Life is an Illinois stock life insurance company organized in 1957. "Allstate Financial" is the marketing name used by Allstate Life to refer to the company and its affiliates and subsidiaries.

Allstate Life is licensed to operate in the District of Columbia, Puerto Rico, and all states except New York. We intend to offer the Contract in those jurisdictions in which we are licensed. Our home office is located at 3100 Sanders Road, Northbrook, Illinois, 60062.

Allstate Life is a wholly owned subsidiary of Allstate Insurance Company, a stock property-liability insurance company incorporated under the laws of Illinois. All of the outstanding capital stock of Allstate Insurance Company is owned by The Allstate Corporation.

Independent rating agencies regularly evaluate life insurers' claims-paying ability, quality of investments, and overall stability. A.M. Best Company assigns an A+ (Superior), Standard & Poor's assigns an AA+ (Very Strong) financial strength rating and Moody's Investors Service assigns an Aa2 (Excellent) financial strength rating to Allstate Life. These ratings do not reflect the investment performance of the Variable Account. We may from time to time advertise these ratings in our sales literature.

Page 18: Replace the section entitled "Experts" with the following:

The consolidated financial statements and the related consolidated financial statement schedules incorporated in this prospectus by reference from the Allstate Life Insurance Company registration statement on Form 10 filed April 24, 2002 have been audited by Deloitte & Touche LLP, independent auditors, as stated in their report, which is incorporated in this prospectus by reference, and have been so incorporated in reliance upon the report of such firm given upon their authority as experts in accounting and auditing. The principal address of Deloitte & Touche LLP is 180 N. Stetson Avenue, Chicago, Illinois 60601.

With respect to the unaudited interim financial information for the periods ended March 31, 2002 and 2001, June 30, 2002 and 2001, and September 30, 2002 and 2001, which is incorporated herein by reference, Deloitte & Touche LLP have

applied limited procedures in accordance with professional standards for a review of such information. However, as stated in their reports included in the Company's Quarterly Reports on Form 10-Q for the quarters ended March 31, 2002, June 30, 2002, and September 30, 2002, and incorporated by reference herein, they did not audit and they do not express an opinion on that interim financial information. Accordingly, the degree of reliance on their reports on such information should be restricted in light of the limited nature of the review procedures applied. Deloitte & Touche LLP are not subject to the liability provisions of Section 11 of the Securities Act of 1933 for their reports on the unaudited interim financial information because those reports are not "reports" or a "part" of the registration statement prepared or certified by an accountant within the meaning of Sections 7 and 11 of the Act.

Page 18: Replace the first paragraph under the section entitled "Annual Reports and Other Documents" with the following:

Allstate's Form 10 registration statement and its Form 10-Q report for the quarter ended March 31, 2002, June 30, 2002, and September 30, 2002 are incorporated herein by reference which means that they are legally a part of this prospectus.

In the fourth paragraph under "Annual Reports and Other Documents," change the Depositor's EDGAR identifying number to "CIK No. 0001078402."

THE CONTRACT AT A GLANCE

The following is a snapshot of the Contract. Please read the remainder of this prospectus for more information.

FLEXIBLE PAYMENTS You can purchase a Contract with as little as \$1,000 (we may increase the minimum to \$4,000 in the future, other than for "QUALIFIED CONTRACTS," which are Contracts issued with qualified plans). You can add to your Contract as often and as much as you like, but each payment must be at least \$1,000. You must maintain a minimum Contract Value of \$1,000.

RETURN PRIVILEGE You may cancel your Contract within 20 days of receipt or any longer period your state may require ("CANCELLATION PERIOD") and receive a full refund of your purchase payments.

EXPENSES You will bear the following expenses:

- . Withdrawal charge of 6% on amounts withdrawn (with exceptions)
- . state premium tax (if your state imposes one)

GUARANTEED INTEREST The Contract offers fixed interest rates that we guarantee for specified periods we call "GUARANTEE PERIODS." To find out what the current rates are on the Guarantee Periods, call us at 1-800-654-2397.

SPECIAL SERVICES For your convenience, we offer these special services:

- . AUTOMATIC ADDITIONS PROGRAM;
- . SYSTEMATIC WITHDRAWAL PROGRAM.

INCOME PAYMENTS The Contract offers three income payment plans:

- . life income with or without guaranteed payments;
- . a joint and survivor life income with or without guaranteed payments; or
- . guaranteed payments for a specified period (5-30 years)

DEATH BENEFITS If you or the ANNUITANT dies before the PAYOUT START DATE, we will pay the death benefit described in the Contract.

WITHDRAWALS You may withdraw some or all of your Contract value ("CONTRACT VALUE") at any time prior to the Payout Start Date. If you withdraw Contract Value from a Guarantee Period before its maturity, a withdrawal charge, Market Value Adjustment, and taxes may apply. Withdrawals of earnings are taxed as ordinary income and, if taken prior to age 59 1/2, may be subject to an additional 10% federal tax penalty.

HOW THE CONTRACT WORKS

The Contract basically works in two ways.

First, the Contract can help you (we assume you are the Contract Owner) save for retirement because you can invest in the Contract and generally pay no federal income taxes on any earnings until you withdraw them. You do this during what we call the "ACCUMULATION PHASE" of the Contract. The Accumulation Phase begins on the date we issue your Contract (we call that date the "ISSUE DATE") and continues until the "Payout Start Date", which is the date we apply your money to provide income payments. During the Accumulation Phase, you may allocate your purchase payments to one or more Guarantee Periods that earn a fixed rate of interest that we declare periodically.

Second, the Contract can help you plan for retirement because you can use it to receive retirement income for life and/or for a pre-set number of years, by selecting one of the income payment options (we call these "INCOME PLANS") described on page 10. You receive income payments during what we call the "PAYOUT PHASE" of the Contract, which begins on the Payout Start Date and continues until we make the last income payment required by the Income Plan you select. During the Payout Phase, we guarantee the amount of your payments, which will remain fixed. The amount of money you accumulate under your Contract during the Accumulation Phase and apply to an Income Plan will determine the amount of your income payments during the Payout Phase.

The timeline below illustrates how you might use your Contract.

Issue Date	Accumulation Phase	Payout Start Date	Payout Phase	
You buy a Contract	You save for retirement	You elect to receive income payments or receive a lump sum payment	You can receive income payments for a set period	Or you can receive income payments for life

As the Contract Owner, you exercise all of the rights and privileges provided by the Contract. If you die, any surviving Contract Owner or if none, the BENEFICIARY will exercise the rights and privileges provided by the Contract. See "The Contract." In addition, if you die before the Payout Start Date, we will pay a death benefit to any surviving Contract Owner or, if there is none, to your Beneficiary. See "Death Benefits."

Please call us at 1-800-654-2397 if you have any question about how the Contract works.

THE CONTRACT

CONTRACT OWNER

The Custom Plus Annuity is a contract between you, the Contract Owner, and Allstate Life, a life insurance company. As the Contract Owner, you may exercise all of the rights and privileges provided to you by the Contract. That means it is up to you to select or change (to the extent permitted):

- .. the amount and timing of your purchase payments and withdrawals;
- .. the programs you want to use to invest or withdraw money;
- .. the income payment plan you want to use to receive retirement income;
- .. the Annuitant (either yourself or someone else) on whose life the income payments will be based;
- .. the Beneficiary or Beneficiaries who will receive the benefits that the Contract provides when the last surviving Contract Owner dies; and
- .. any other rights that the Contract provides.

If you die, any surviving Contract Owner or, if none, the Beneficiary, may exercise the rights and privileges provided to them by the Contract.

The Contract cannot be jointly owned by both a non-natural person and a natural person. The maximum age of the oldest Contract Owner and Annuitant cannot exceed age 80 as of the date we receive the signed application.

Changing ownership of this Contract may cause adverse tax consequences and may not be allowed under qualified plans. Please consult with a competent tax advisor prior to making a request for a change of Contract Owner.

You can use the Contract with or without a qualified plan. A qualified plan is a retirement savings plan, such as an IRA or tax-sheltered annuity, that meets the requirements of the Internal Revenue Code. Qualified plans may limit or modify your rights and privileges under the Contract. We use the term "Qualified Contract" to refer to a Contract issued with a qualified plan. See "Qualified Plans" on page 13.

ANNUITANT

The Annuitant is the individual whose life determines the amount and duration of income payments (other than under Income Plans with guaranteed payments for specified periods). You initially designate an Annuitant in your application. The Contract Owner (youngest Contract Owner if there is more than one) will be the Annuitant unless you name a different Annuitant. The Annuitant must be a natural person. The maximum age of the oldest Contract Owner and Annuitant cannot exceed age 90 as of the date we receive the signed application.

You may change the Annuitant at any time prior to the Payout Start Date (only Contract Owners that are natural persons or grantor trusts have this option). Once we receive your change request, any change will be effective at the time you sign the written notice. We are not liable for any payment we make or other action we take before receiving any written request from you. You also may designate a joint Annuitant, who is a second person on whose life income payments depend.

BENEFICIARY

The Beneficiary is the person who may elect to receive the death benefit or become the new Contract Owner subject to the Death of Owner provision if the sole surviving Contract Owner dies before the payout Start Date. If the sole surviving Contract Owner dies after the Payout Start Date, the Beneficiaries will receive any guaranteed income payments scheduled to continue.

You may name one or more Beneficiaries when you apply for a Contract. You may change or add Beneficiaries at any time unless you have designated an irrevocable Beneficiary. We will provide a Change of Beneficiary form to be signed and filed with us. Any change will be effective at the time you sign the written notice. Until we receive your written notice to change a Beneficiary, we are entitled to rely on the most recent Beneficiary information in our files. We will not be liable as to any payment or settlement made prior to receiving the written notice. Accordingly, if you wish to change your Beneficiary, you should deliver your written notice to us promptly. If the Contract Owner is a natural person, we will determine the Beneficiary from the most recent request of the Contract Owner.

If the Contract Owner is a grantor trust, then the Beneficiary will be that same trust. If the Contract Owner is a non-natural person other than a grantor trust, the Contract Owner is also the Beneficiary, unless a different Beneficiary is named.

If you did not name a Beneficiary or if the named Beneficiary is no longer living, the Beneficiary will be:

- .. your spouse or, if he or she is no longer alive,

.. your surviving children equally, or if you have no surviving children,
.. your estate.

If more than one Beneficiary survives you (the Annuitant if the Contract Owner is not a natural person), we will divide the death benefit among your Beneficiaries according to your most recent written instructions. If you have not given us written instructions, we will pay the death benefit in equal amounts to the surviving Beneficiaries.

MODIFICATION OF THE CONTRACT

Only an Allstate Life officer may approve a change in or waive any provision of the Contract. Any change or waiver must be in writing. None of our agents has the

authority to change or waive the provisions of the Contract. We may not change the terms of the Contract without your consent, except to conform the Contract to applicable law or changes in the law. If a provision of the Contract is inconsistent with state law, we will follow state law.

ASSIGNMENT

You may assign an interest in your Contract. No Beneficiary may assign benefits under the Contract until they are due. We will not be bound by any assignment until you sign it and file it with us. We are not responsible for the validity of any assignment. Federal law prohibits or restricts the assignment of benefits under many types of retirement plans and the terms of such plans may themselves contain restrictions on assignments. An assignment may also result in taxes or tax penalties. You should consult with an attorney before trying to assign your Contract.

PURCHASES AND CONTRACT VALUE

MINIMUM PURCHASE PAYMENT

Your initial purchase payment must be at least \$1,000. We may increase the minimum to \$4,000 in our sole discretion. (The higher minimum would not apply to Qualified Contracts). Each subsequent purchase payment must be at least \$1,000. You may make purchase payments at any time prior to the Payout Start Date. We reserve the right to limit the maximum amount and number of purchase payments we will accept. We also reserve the right to reject any application in our sole discretion.

AUTOMATIC ADDITIONS PROGRAM

You may make subsequent purchase payments by automatically transferring money from your bank account or your Morgan Stanley Active Assets/TM/ Account. Please call or write us for an enrollment form.

ALLOCATION OF PURCHASE PAYMENTS

For each purchase payment, you must select a Guarantee Period. A Guarantee Period is a period of years during which you will earn a guaranteed interest rate on your money. You must allocate at least \$1,000 to any one Guarantee Period at the time you make your purchase payment or select a renewal Guarantee Period.

We will apply your purchase payment to the Guarantee Period you select within 7 days of the receipt of the payment and required information.

RETURN PRIVILEGE

You may cancel your Contract within the Cancellation Period, which is 20 days after receipt of your Contract or any longer period your state may require. You may return it by delivering it or mailing it to us. If you exercise this right to cancel, the Contract terminates and we will pay you the full amount of your purchase payments or any greater amount your state may require.

CONTRACT VALUE

Your Contract Value at any time during the Accumulation Phase is equal to the purchase payments you have invested in the Guarantee Periods, plus earnings thereon, and less any amounts previously withdrawn.

GUARANTEE PERIODS

Each payment allocated to a Guarantee Period earns interest at a specified rate that we guarantee. Guarantee Periods may range from 1 to 10 years. You must select a Guarantee Period for each purchase payment.

Amounts allocated to Guarantee Periods become part of our general account, which supports our insurance and annuity obligations. The general account consists of our general assets other than those in segregated asset accounts. We have sole discretion to invest the assets of the general account, subject to applicable law. Any money you allocate to a Guarantee Period does not entitle you to share in the investment experience of the general account.

You must allocate at least \$1,000 to a Guarantee Period at the time you make a purchase payment or select a renewal Guarantee Period.

INTEREST RATES

We will tell you what interest rates and Guarantee Periods we are offering at a particular time. We will not change the interest rate that we credit to a particular allocation until the end of the relevant Guarantee Period. We may declare different interest rates for Guarantee Periods of the same length that begin at different times.

We have no specific formula for determining the rate of interest that we will declare initially or in the future. We will set those interest rates based on investment returns available at the time of the determination. In addition, we may consider various other factors in determining interest rates including regulatory and tax requirements, sales commissions and administrative expenses, general economic trends, and competitive factors. We determine the interest rates to be declared in our sole discretion. We can neither predict nor guarantee what those rates will be in the future. For current interest rate information, please contact your Morgan Stanley Financial Advisor or Allstate Life at 1-800-654-2397.

HOW WE CREDIT INTEREST

We will credit interest to your initial purchase payment from the Issue Date. We will credit interest to your additional purchase payments from the date we receive them. We will credit interest daily to each amount allocated to a Guarantee Period at a rate that compounds to the annual interest rate that we declared at the beginning of the applicable Guarantee Period.

The following example illustrates how a purchase payment would grow, given an assumed Guarantee Period and annual interest rate:

Purchase Payment.....	\$10,000
Guarantee Period.....	5 years
Annual Interest Rate....	4.50%

	END OF CONTRACT YEAR				
	YEAR 1	YEAR 2	YEAR 3	YEAR 4	YEAR 5
	-----	-----	-----	-----	-----
Beginning Contract Value.....	\$10,000.00				
X (1 + Annual Interest Rate)	1.045				

Contract Value at end of Contract Year.....	\$10,450.00	\$10,450.00			
X (1 + Annual Interest Rate)		1.045			

Contract Value at end of Contract Year.....		\$10,920.25	\$10,920.25		
X (1 + Annual Interest Rate)			1.045		

Contract Value at end of Contract Year.....			\$11,411.66	\$11,411.66	
X (1 + Annual Interest Rate)				1.045	

Contract Value at end				\$11,925.19	\$11,925.19

of Contract Year.....
X (1 + Annual
Interest Rate)

1.045

\$12,461.82

TOTAL INTEREST CREDITED DURING GUARANTEE PERIOD = \$2,461.82 (\$12,461.82 - \$10,000)

This example assumes no withdrawals during the entire 5 year Guarantee Period. If you were to make a partial withdrawal, you may be required to pay a withdrawal charge. In addition, the amount withdrawn may be increased or decreased by a Market Value Adjustment that reflects changes in interest rates since the time you invested the amount withdrawn. The hypothetical interest rate is for illustrative purposes only and is not intended to predict future interest rates to be declared under the Contract. Actual interest rates declared for any given Guarantee Period may be more or less than shown above.

8 PROSPECTUS

RENEWALS. Prior to the end of each Guarantee Period, we will mail you a notice listing your renewal and withdrawal options. During the 30-day period after the end of the Guarantee Period, you may:

- 1) Take no action. We will automatically apply your money to a new Guarantee Period of the same length as the expired Guarantee Period. The new Guarantee Period will begin on the day the previous Guarantee Period ends. The new interest rate will be our then current declared rate for a Guarantee Period of that length; or
- 2) Instruct us to apply your money to one or more new Guarantee Periods that may be available. The new Guarantee Period(s) will begin on the day the previous Guarantee Period ends. The new interest rate will be our then current declared rate for those Guarantee Periods; or
- 3) Withdraw all or a portion of your money from the expired Guarantee Period without incurring a withdrawal charge or a Market Value Adjustment. In this case, the amount withdrawn will be deemed to have been renewed at the shortest Guarantee Period then being offered with current interest credited from the date the Guarantee Period expired. Amounts not withdrawn will be applied to a new Guarantee Period of the same length as the previous Guarantee Period. The new Guarantee Period will begin on the day the previous Guarantee Period ends.

MARKET VALUE ADJUSTMENT. All withdrawals from a Guarantee Period, other than those taken within the first 30 days of a renewal Guarantee Period are subject to a Market Value Adjustment. A Market Value Adjustment also may apply upon payment of a death benefit and when you apply your Contract Value to an Income Plan (other than during the 30 day period described above).

We will not apply the Market Value Adjustment to withdrawals you make:

- .. to satisfy IRS minimum distribution rules for this Contract; or
- .. within the Preferred Withdrawal Amount, described under "Expenses" on page ___.

We apply the Market Value Adjustment to reflect changes in interest rates from the time the amount being withdrawn was allocated to a Guarantee Period to the time you withdraw it. We calculate the Market Value Adjustment by comparing the interest rate for the Guarantee Period at its inception to the interest rate for a period equal to the time remaining in the Guarantee Period when you remove your money, as determined under the Contract.

The Market Value Adjustment may be positive or negative, depending on changes in interest rates. As such, you bear the investment risk associated with changes in interest rates. If interest rates increase significantly from the time you make a purchase payment, the Market Value Adjustment, withdrawal charge, premium taxes, and income tax withholding (if applicable) could reduce the amount you receive upon full withdrawal of your Contract Value to an amount that is less than the purchase payments plus interest earned under your Contract. However, we guarantee that the amount received upon surrender (prior to any withholding and before deduction for any applicable premium taxes) will be at least equal to the purchase payments less any prior partial withdrawals.

Generally, if the annual interest rate for the Guarantee Period is lower than the applicable current annual interest rate for a period equal to the time remaining in the Guarantee Period, then the Market Value Adjustment will result in a lower amount payable to you. Conversely, if the annual interest rate for the Guarantee Period is higher than the applicable current annual interest rate, then the Market Value Adjustment will result in a higher amount payable to you.

For example, assume that you purchase a Contract and select an initial Guarantee Period of 5 years that has an annual interest rate of 4.50%. Assume that at the end of 3 years, you make a partial withdrawal, in excess of the Preferred Withdrawal Amount. If, at that later time, the current interest rate for a 2 year Guarantee Period is 4.00%, then the Market Value Adjustment will be positive, which will result in an increase in the amount payable to you. Conversely, if the current interest rate for the 2 year Guarantee Period is 5.00%, then the Market Value Adjustment will be negative, which will result in a decrease in the amount payable to you.

The formula for calculating Market Value Adjustments is set forth in Appendix A to this prospectus, which also contains additional examples of the application of the Market Value Adjustment.

EXPENSES

As a Contract Owner, you will bear the charges and expenses described below.

WITHDRAWAL CHARGE

We may assess a withdrawal charge equal to 6% of all amounts withdrawn or surrendered. However, each year

you may withdraw up to 10% of the funds initially allocated to the Guarantee Period from which you are making the withdrawal without paying a withdrawal charge. We measure each year from the commencement of the relevant Guarantee Period. Unused portions of this 10% "Preferred Withdrawal Amount" are not carried forward to future years or other Guarantee Periods. We will deduct withdrawal charges, if applicable, from the amount paid unless you instruct otherwise.

We also do not apply a withdrawal charge in the following situations:

- .. on the Payout Start Date;
- .. the death of the Contract Owner or the Annuitant;
- .. withdrawals taken to satisfy IRS minimum distribution rules for the Contract; or
- .. withdrawals from a renewal Guarantee Period made within the first 30 days of such Period.

Withdrawals may be subject to tax penalties or income tax and a Market Value Adjustment. Withdrawals of earnings are taxed as ordinary income and, if taken prior to age 59 1/2, may be subject to an additional 10% federal tax penalty. You should consult your own tax counsel or other tax advisers regarding any withdrawals

PREMIUM TAXES

Some states and other governmental entities (e.g., municipalities) charge premium taxes or similar taxes. We are responsible for paying these taxes and will deduct them from your Contract Value. Some of these taxes are due when the Contract is issued, others are due when income payments begin or upon surrender. Our current practice is not to charge anyone for these taxes until income payments begin or when a total withdrawal occurs, including payment upon death. We may some time in the future discontinue this practice and deduct premium taxes from the purchase payments. Premium taxes generally range from 0% to 4%, depending on the state.

At the Payout Start Date, we deduct the charge for premium taxes from the total Contract Value, prior to applying your money to an Income Plan.

ACCESS TO YOUR MONEY

You can withdraw some or all of your money at any time prior to the Payout Start Date. You may not make any withdrawals or surrender your Contract once the Payout Phase has begun.

You must specify the Guarantee Period from which you would like to withdraw your money. If the amount you withdraw reduces the amount invested in any Guarantee Period to less than \$1,000, we will treat the withdrawal request as a request to withdraw the entire amount in that Guarantee Period.

The amount you receive may be reduced by a withdrawal charge, income tax withholding, and any applicable premium taxes. The amount you receive may be increased or reduced by a Market Value Adjustment. We may defer payment of withdrawals for up to 6 months from the date we receive your withdrawal request.

Withdrawals of earnings are taxed as ordinary income and, if taken prior to age 59 1/2, may be subject to an additional 10% federal tax penalty.

If you request a total withdrawal we may require you to return your Contract to us.

SYSTEMATIC WITHDRAWAL PROGRAM

You may choose to receive systematic withdrawal payments on a monthly, quarterly, semi-annual, or annual basis at any time prior to the Payout Start Date. The minimum amount of each systematic withdrawal is \$100. We will deposit systematic withdrawal payments into the Contract Owner's bank account or Morgan Stanley Active Assets/TM/ Account. Please consult with your Morgan Stanley Financial Advisor for details.

Withdrawals of earnings are taxed as ordinary income and, if taken prior to age 59 1/2, may be subject to an additional 10% federal tax penalty. Please consult your tax advisor before taking any withdrawal.

We may modify or suspend the Systematic Withdrawal Program and charge a processing fee for the service. If we modify or suspend the Systematic Withdrawal Program, existing systematic withdrawal payments will not be affected.

RETURN OF PURCHASE PAYMENTS GUARANTEE

When you withdraw your money, a withdrawal charge and a Market Value Adjustment may apply. However, if you decide to surrender your Contract, we guarantee that the "Cash Surrender Value of your contract," which is the Contract Value, adjusted by any Market Value Adjustment, less withdrawal charges and premium taxes will never be less than the sum of your initial and any subsequent

purchase payments, less amounts previously withdrawn (prior to withholding and the deduction of any applicable taxes). Premium taxes and income tax withheld may reduce the amount you receive on surrender to less than the sum of your initial and any subsequent purchase payments. This guarantee does not apply to earnings on purchase payments. The renewal of a Guarantee Period does not in any way change this guarantee.

MINIMUM CONTRACT VALUE

If the amount you withdraw reduces your Contract Value to less than \$1,000, we may treat it as a request to withdraw your entire Contract Value. Your Contract will terminate if you withdraw all of your Contract Value. We

10 PROSPECTUS

will, however, ask you to confirm your withdrawal request before terminating your Contract. Before terminating any Contract whose value has been reduced by withdrawals to less than \$1,000, we would inform you in writing of our intention to terminate your Contract and give you at least 30 days in which to make an additional purchase payment to restore your Contract's value to the contractual minimum of \$1,000. If we terminate your Contract, we will distribute to you its Contract Value, adjusted by any Market Value Adjustment, less withdrawal charges and applicable taxes.

INCOME PAYMENTS

PAYOUT START DATE

The Payout Start Date is the day that we apply your Contract Value, adjusted by the Market Value Adjustment, less any applicable taxes, to an Income Plan. The Payout Start Date must be:

- .. at least 30 days after the Issue Date; and
- .. no later than the Annuitant's 90th birthday, or the 10th Contract anniversary, if later.

You may change the Payout Start Date at any time by notifying us in writing of the change at least 30 days before the scheduled Payout Start Date. Absent a change, we will use Payout Start Date stated in your Contract.

INCOME PLANS

An Income Plan is a series of scheduled payments to you or someone you designated. You may choose and change your choice of Income Plan until 30 days before the Payout Start Date. If you do not select an Income Plan, we will make income payments in accordance with Income Plan 1 with guaranteed payments for 10 years. After the Payout Start Date, you may not make withdrawals or change your choice of Income Plan.

The three Income Plans available under the Contract are:

INCOME PLAN 1 - LIFE INCOME WITH OR WITHOUT GUARANTEED PAYMENTS. Under this plan, we make periodic income payments for at least as long as the Annuitant lives. If the Annuitant dies before we have made all of the guaranteed income payments, we will continue to pay the remainder of the guaranteed income payments as required by the Contract.

INCOME PLAN 2 - JOINT AND SURVIVOR LIFE INCOME WITH OR WITHOUT GUARANTEED PAYMENTS. Under this plan, we make periodic income payments for at least as long as either the Annuitant or the joint Annuitant is alive. If both the Annuitant and the joint Annuitant die before we have made all of the guaranteed income payments, we will continue to pay the remainder of the guaranteed income payments as required by the Contract.

INCOME PLAN 3 - GUARANTEED PAYMENTS FOR A SPECIFIED PERIOD. Under this plan, we make periodic income payments for the period you have chosen. These payments do not depend on the life of the Annuitant.

You may elect to receive guaranteed payments under each of the above Income Plans for periods ranging from 5-30 years.

The length of any guaranteed payment period under your selected Income Plan generally will affect the dollar amount of each income payment. As a general rule, longer guarantee periods result in lower income payments, all other things being equal. For example, if you choose an Income Plan with payments that depend on the life of the Annuitant but with no minimum specified period for guaranteed payments, the income payments generally will be greater than the income payments made under the same Income Plan with a minimum specified period for guaranteed payments.

We may make other Income Plans available, including ones that you and we agree upon. You may obtain information about them by writing or calling us. Income Plans may vary from state to state.

If you choose Income Plan 1 or 2, or, if available, another Income Plan with payments that continue for the life of the Annuitant or joint Annuitant, we may require proof of age and sex of the Annuitant or joint Annuitant before starting income payments, and we may require proof that the Annuitant or joint Annuitant is still alive before we make each payment.

Please note that under such Income Plans, if you elect to take no minimum guaranteed payments, it is possible that the payee could receive only 1 income payment if the Annuitant and any joint Annuitant both die before the second income payment, or only 2 income payments if they die before the third income payment, and so on.

We will apply your Contract Value, adjusted by a Market Value Adjustment, less applicable taxes, to your Income Plan on the Payout Start Date. If the amount available to apply under an Income Plan is not enough to provide an initial payment of at least \$20, and state law permits, we may:

.. terminate your Contract and pay you the Contract Value, adjusted by any Market Value Adjustment and less any applicable taxes, in a lump sum instead of the periodic payments you have chosen; or

.. we may reduce the frequency of your payments so that each payment will be at least \$20.

INCOME PAYMENTS

We guarantee income payment amounts for the duration of the Income Plan. We calculate income payments by:

1. adjusting the value of your Contract on the Payout Start Date by any applicable Market Value Adjustment;

2. deducting any applicable premium tax; and
3. applying the resulting amount to the greater of (a) the appropriate value from the income payment table in your Contract or (b) such other value as we are offering at that time.

We may defer making fixed income payments for a period of up to six months or such shorter time state law may require. If we defer such payments for 30 days or more, we will pay interest as required by law from the date we receive the withdrawal request to the date we make payment.

CERTAIN EMPLOYEE BENEFIT PLANS

The Contracts offered by this prospectus contain income payment tables that provide for different payments to men and women of the same age, except in states that require unisex tables. We reserve the right to use income payment tables that do not distinguish on the basis of sex, to the extent permitted by law. In certain employment-related situations, employers are required by law to use the same income payment tables for men and women. Accordingly, if the Contract is to be used in connection with an employment-related retirement or benefit plan and we do not offer unisex annuity tables in your state, you should consult with legal counsel as to whether the purchase of a Contract is appropriate.

DEATH BENEFITS

We will pay a death benefit if, prior to the Payout Start Date:

1. the Contract Owner dies; or
2. the Annuitant dies.

We will pay the death benefit to the new Contract Owner as determined immediately after the death. The new Contract Owner would be a surviving Contract Owner or, if none, the Beneficiary.

DEATH BENEFIT AMOUNT

Prior to the Payout Start Date, the death benefit is equal to the greater of:

1. the Contract Value, and
2. the "Cash Surrender Value," which is the Contract Value, adjusted by any Market Value Adjustment, less withdrawal charges and taxes.

We will calculate the value of the death benefit as of the date we receive a complete request for payment of the death benefit.

A claim for a distribution on death must include DUE PROOF OF DEATH. We will accept the following documentation as "Due Proof of Death":

- .. a certified copy of a death certificate;
- .. a certified copy of a decree of a court of competent jurisdiction as to the finding of death; or
- .. any other proof acceptable to us.

DEATH BENEFIT OPTIONS

Upon death of the Contract Owner, the new Contract Owner generally has the following 3 options:

1. receive the Cash Surrender Value within 5 years of the date of death;
2. receive the death benefit in a lump sum; or
3. apply the death benefit to an Income Plan, with income payments beginning within one year of the date of death. Income payments must be made over the life of the new Contract Owner, or a period not to exceed the life expectancy of the new Contract Owner.

Options 2 and 3 above are only available if we receive Due Proof of Death within 180 days of the date of death. We reserve the right to waive the 180 day limit on a non-discriminatory basis. Please refer to your Contract for more details on the above options, including terms that apply to grantor trusts.

If the new Contract Owner is a non-natural person (other than a grantor trust), the new Contract Owner must elect to receive the death benefit in a lump sum.

If the surviving spouse of the deceased Contract Owner is the new Contract owner, then the spouse may elect Options 2 or 3 listed above or may continue the Contract in the Accumulation Phase as if the death had not occurred. If there is no Annuitant at that time, the new Annuitant will be the surviving spouse, unless the new Contract Owner names a different annuitant. If the Contract is continued in the Accumulation Phase, the surviving spouse may make a single withdrawal of any amount within 1 year of the date of death without incurring a

withdrawal charge. However, any applicable Market Value Adjustment, determined as of the date of the withdrawal, will apply. The single withdrawal amount is in addition to the annual Preferred Withdrawal Amount.

If the Contract Owner is not the Annuitant and the Annuitant dies, then the Contract Owner has the following 3 options:

1. continue the Contract as if the death had not occurred;
2. receive the death benefit in a lump sum; or
3. apply the death benefit to an Income Plan, which must begin within 1 year of the date of death and must be for a period equal to or less than the life expectancy of the Contract Owner.

The Contract Owner has 60 days from the date Allstate Life receives Due Proof of Death to select an income plan without incurring a tax on the entire gain in

the Contract. If the Contract Owner elects to continue the Contract they will be taxed on the entire gain in the Contract computed on the date of continuance. We are required to report such gain to the IRS as income to the Contract Owner. An additional 10% federal tax penalty may apply if the Contract Owner is under age 59 1/2. Any amount included in the Contract Owner's gross income as a result of a Contract continuance will increase the investment in the Contract for future distributions.

For Options 1 and 3, the new Annuitant will be the youngest Contract Owner unless the Contract Owner names a different Annuitant. Options 1 and 3 are not available if the Contract Owner is a non-natural person (other than a grantor trust).

Options 2 and 3 above are only available if we receive Due Proof of Death within 180 days of the date of death. We are currently waiving the 180 day limitation but may enforce it in the future. Please refer to your Contract for more details on the above options, including terms that apply to grantor trusts.

Please refer to your Contract for more details on the above options.

QUALIFIED PLANS

If you use the Contract within a qualified plan, the plan may impose different or additional conditions or limitations on withdrawals, waivers of withdrawal charges, death benefits, Payout Start Dates, income payments, and other Contract features. In addition, adverse tax consequences may result if qualified plan limits on distributions and other conditions are not met. Please consult your qualified plan administrator for more information.

LEGAL MATTERS

Foley & Lardner, Washington, D.C., has advised Allstate on certain federal securities law matters. All matters of state insurance law pertaining to the Contracts, including the validity of the Contracts and Allstate Life's right to issue such Contracts under state insurance law, have been passed upon by Michael J. Velotta, General Counsel of Allstate Life.

TAXES

THE FOLLOWING DISCUSSION IS GENERAL AND IS NOT INTENDED AS TAX ADVICE. ALLSTATE LIFE MAKES NO GUARANTEE REGARDING THE TAX TREATMENT OF ANY CONTRACT OR TRANSACTION INVOLVING A CONTRACT.

Federal, state, local and other tax consequences of ownership or receipt of distributions under an annuity contract depend on your individual circumstances. If you are concerned about any tax consequences with regard to your individual circumstances, you should consult a competent tax adviser.

TAXATION OF ALLSTATE LIFE INSURANCE COMPANY

Allstate Life is taxed as a life insurance company under Part I of Subchapter L of the Internal Revenue Code ("Tax Code" or "Code").

TAXATION OF FIXED ANNUITIES IN GENERAL

TAX DEFERRAL. Generally, you are not taxed on increases in the Contract Value until a distribution occurs. This rule applies only where the Owner is a natural person.

NON-NATURAL OWNERS. As a general rule, annuity contracts owned by non-natural persons such as corporations, trusts, or other entities are not treated as annuity contracts for federal income tax purposes. The income on such contracts does not enjoy tax deferral and is taxed as ordinary income received or accrued by the owner during the taxable year.

EXCEPTIONS TO THE NON-NATURAL OWNER RULE. There are several exceptions to the general rule that annuity contracts held by a non-natural owner are not treated as annuity contracts for federal income tax purposes. Contracts will generally be treated as held by a natural person if the nominal owner is a trust or other entity which holds the Contract as agent for a natural person. However, this special exception will not apply in the case of an employer who is the nominal owner of an annuity contract under a non-qualified deferred compensation arrangement for its employees. Other exceptions to the non-natural owner rule are: (1) Contracts acquired by an estate of a decedent by reason of the death of the decedent; (2) certain Qualified Contracts; (3) Contracts purchased by employers upon the termination of certain qualified plans; (4) certain Contracts used in connection with structured settlement agreements, and (5) immediate annuity Contracts, purchased with a single premium, when the annuity starting date is no later than a year from purchase of the annuity and substantially equal periodic payments are made, not less frequently than annually, during the annuity period.

TAXATION OF PARTIAL AND FULL WITHDRAWALS. If you make a partial withdrawal under a non-Qualified Contract, amounts received are taxable to the extent the Contract Value, without regard to surrender charges, exceeds the investment in the Contract. The investment in the Contract is the gross premium paid for the contract minus any amounts previously received from the Contract if such amounts were properly excluded from your gross income. If you make a full withdrawal under a non-Qualified Contract, the amount received will be taxable only to the extent it exceeds the investment in the Contract.

You should contact a competent tax advisor about the potential tax consequences of a Market Value Adjustment, as no definitive guidance exists on the proper tax treatment of Market Value Adjustments. If you make a full withdrawal under a non-Qualified Contract or a Qualified Contract, the amount received will be taxable only to the extent it exceeds the investment in the Contract.

TAXATION OF ANNUITY PAYMENTS. Generally, the rule for income taxation of annuity payments received from a nonqualified contract provides for the return of your investment in the Contract in equal tax-free amounts over the payment period. The balance of each payment received is taxable. For fixed annuity payments, the amount excluded from income is determined by multiplying the payment by the ratio of the investment in the Contract (adjusted for any refund feature or period certain) to the total expected value of annuity payments for the term of the Contract. The annuity payments will be fully taxable after the total amount of the investment in the Contract is excluded using these ratios. The Federal tax treatment of annuity payments is unclear in some respects. As a result, if the IRS should provide further guidance, it is possible that the amount we calculate and report to the IRS as taxable could be different. If you die, and annuity payments cease before the total amount of the investment in the Contract is recovered, the unrecovered amount will be allowed as a deduction for your last taxable year.

WITHDRAWALS AFTER THE PAYOUT START DATE. Federal tax law is unclear regarding the taxation of any additional withdrawal received after the Payout Start Date. It is possible that a greater or lesser portion of such a payment could be taxable than the amount we determine.

DISTRIBUTION AT DEATH RULES. In order to be considered an annuity contract for federal income tax purposes, the Contract must provide:

1. if any Contract Owner dies on or after the Payout Start Date but before the entire interest in the Contract has been distributed, the remaining portion of

such interest must be distributed at least as rapidly as under the method of distribution being used as of the date of the Owner's death;

2. if any Contract Owner dies prior to the Payout Start Date, the entire interest in the Contract will be

14 PROSPECTUS

distributed within 5 years after the date of the Owner's death. These requirements are satisfied if any portion of the Contract Owner's interest that is payable to (or for the benefit of) a designated Beneficiary is distributed over the life of such Beneficiary (or over a period not extending beyond the life expectancy of the Beneficiary) and the distributions begin within 1 year of the Owner's death. If the Contract Owner's designated Beneficiary is the surviving spouse of the Owner, the Contract may be continued with the surviving spouse as the new Contract Owner.

3. if the Contract Owner is a non-natural person, then the Annuitant will be treated as the Contract Owner for purposes of applying the distribution at death rules. In addition, a change in the Annuitant on a Contract owned by a non-natural person will be treated as the death of the Contract Owner.

TAXATION OF ANNUITY DEATH BENEFITS. Death Benefit amounts are included in income as follows:

1. if distributed in a lump sum, the amounts are taxed in the same manner as a full withdrawal, or
2. if distributed under an Income Plan, the amounts are taxed in the same manner as annuity payments.

PENALTY TAX ON PREMATURE DISTRIBUTIONS. A 10% penalty tax applies to the taxable amount of any premature distribution from a non-Qualified Contract. The penalty tax generally applies to any distribution made prior to the date you attain age 59 1/2. However, no penalty tax is incurred on distributions:

1. made on or after the date the Contract Owner attains age 59 1/2,
2. made as a result of the Contract Owner's death or becoming totally disabled,
3. made in substantially equal periodic payments over the Contract Owner's life or life expectancy, or over the joint lives or joint life expectancies of the Contract Owner and the Contract beneficiary,
4. made under an immediate annuity, or
5. attributable to investment in the Contract before August 14, 1982.

You should consult a competent tax advisor to determine how these exceptions may apply to your situation.

SUBSTANTIALLY EQUAL PERIODIC PAYMENTS. With respect to non-Qualified Contracts using substantially equal periodic payments or immediate annuity payments as an exception to the penalty tax on premature distributions, any additional withdrawal or other modification of the payment stream would violate the requirement that payments must be substantially equal. Failure to meet this requirement would mean that the income portion of each payment received prior to the later of 5 years or the Contract Owner's attaining age 59 1/2 would be subject to a 10% penalty tax unless another exception to the penalty tax applied. The tax for the year of the modification is increased by the penalty tax that would have been imposed without the exception, plus interest for the years in which the exception was used. You should consult a competent tax advisor prior to taking a withdrawal.

TAX FREE EXCHANGES UNDER IRC SECTION 1035. A 1035 exchange is a tax-free exchange of a non-Qualified life insurance contract, endowment contract or annuity contract for a new non-Qualified annuity contract. The Contract Owner(s) must be the same on the old and new contract. Basis from the old contract carries over to the new contract so long as we receive that information from the relinquishing company. If basis information is never received, we will assume that all exchanged funds represent earnings and will allocate no cost basis to them.

TAXATION OF OWNERSHIP CHANGES. If you transfer a non-Qualified Contract without full and adequate consideration to a person other than your spouse (or to a former spouse incident to a divorce), you will be taxed on the difference between the Contract Value and the investment in the Contract at the time of transfer. Except for certain Qualified Contracts, any amount you receive as a loan under a Contract, and any assignment or pledge (or agreement to assign or pledge) of the Contract Value is taxed as a withdrawal of such amount or portion and may also incur the 10% penalty tax. Currently we do not allow assignments.

AGGREGATION OF ANNUITY CONTRACTS. The Code requires that all non-Qualified deferred annuity contracts issued by ALLSTATE LIFE (or its affiliates) to the same Contract Owner during any calendar year be aggregated and treated as one annuity contract for purposes of determining the taxable amount of a distribution.

INCOME TAX WITHHOLDING

Generally, ALLSTATE LIFE is required to withhold federal income tax at a rate of 10% from all non-annuitized distributions. The customer may elect out of withholding by completing and signing a withholding election form. If no election is made, we will automatically withhold the required 10% of the taxable amount. In certain states, if there is federal withholding, then state

withholding is also mandatory.

ALLSTATE LIFE is required to withhold federal income tax using the wage withholding rates for all annuitized distributions. The customer may elect out of withholding by completing and signing a withholding election form. If no election is made, we will automatically withhold using married with three exemptions as the default. In certain states, if there is federal withholding, then state withholding is also mandatory.

Election out of withholding is valid only if the customer provides a U.S. residence address and taxpayer identification number.

TAX QUALIFIED CONTRACTS

The income on qualified plan and IRA investments is tax deferred, and the income on annuities held by such plans

does not receive any additional tax deferral. You should review the annuity features, including all benefits and expenses, prior to purchasing an annuity in a qualified plan or IRA. Contracts may be used as investments with certain qualified plans such as:

- .. Individual Retirement Annuities or Accounts (IRAs) under Section 408 of the Code;
- .. Roth IRAs under Section 408A of the Code;
- .. Simplified Employee Pension Plans under Section 408(k) of the Code;
- .. Savings Incentive Match Plans for Employees (SIMPLE) Plans under Section 408(p) of the Code;
- .. Tax Sheltered Annuities under Section 403(b) of the Code;
- .. Corporate and Self Employed Pension and Profit Sharing Plans under Sections 401 and 403; and
- .. State and Local Government and Tax-Exempt Organization Deferred Compensation Plans under Section 457.

The Contract may be used with several types of qualified plans. ALLSTATE LIFE reserves the right to limit the availability of the Contract for use with any of the Qualified Plans listed above or to modify the Contract to conform with tax requirements. The tax rules applicable to participants in such qualified plans vary according to the type of plan and the terms and conditions of the plan itself. Adverse tax consequences may result from certain transactions such as excess contributions, premature distributions, and distributions that do not conform to specified commencement and minimum distribution rules.

In the case of certain qualified plans, the terms of the plans may govern the right to benefits, regardless of the terms of the Contract.

TAXATION OF WITHDRAWALS FROM A QUALIFIED CONTRACT. If you make a partial withdrawal under a Qualified Contract other than a Roth IRA, the portion of the payment that bears the same ratio to the total payment that the investment in the Contract (i.e., nondeductible IRA contributions, after tax contributions to qualified plans) bears to the Contract Value, is excluded from your income. We do not keep track of nondeductible contributions, and all tax reporting of distributions from qualified contracts other than Roth IRAs will indicate that the distribution is fully taxable.

"Qualified distributions" from Roth IRAs are not included in gross income. "Qualified distributions" are any distributions made more than five taxable years after the taxable year of the first contribution to any Roth IRA and which are:

- .. made on or after the date the Contract Owner attains age 59 1/2,
- .. made to a beneficiary after the Contract Owner's death,
- .. attributable to the Contract Owner being disabled, or
- .. made for a first time home purchase (first time home purchases are subject to a lifetime limit of \$10,000).

"Nonqualified distributions" from Roth IRAs are treated as made from contributions first and are included in gross income only to the extent that distributions exceed contributions. All tax reporting of distributions from Roth IRAs will indicate that the taxable amount is not determined.

REQUIRED MINIMUM DISTRIBUTIONS. Generally, qualified plans require minimum distributions upon reaching age 70 1/2. Failure to withdraw the required minimum distribution will result in a 50% tax penalty on the shortfall not withdrawn from the contract. Not all income plans offered under this annuity contract satisfy the requirements for minimum distributions. Because these distributions are required under the code and the method of calculation is complex, please see a competent tax advisor.

THE DEATH BENEFIT AND QUALIFIED CONTRACTS. Pursuant to the Code and IRS regulations, an IRA may not invest in life insurance contracts. However, an IRA (e.g., traditional IRA, Roth IRA, SEP IRA and SIMPLE IRA) may provide a death benefit that equals the greater of the purchase payments or the Contract Value.

The Contract offers a death benefit that in certain circumstances may exceed the greater of the purchase payments or the Contract Value. It is possible that the Death Benefit could be viewed as violating the prohibition on investment in life insurance contracts, with the result that the Contract would not satisfy the requirements of an IRA. We believe that these regulations do not prohibit all forms of optional death benefits.

It is also possible that the certain death benefits that offer enhanced earnings could be characterized as an incidental death benefit. If the death benefit were so characterized, this could result in current taxable income to a Contract Owner. In addition, there are limitations on the amount of incidental death

benefits that may be provided under qualified plans, such as in connection with a 403(b) plan.

PENALTY TAX ON PREMATURE DISTRIBUTIONS FROM QUALIFIED CONTRACTS. A 10% penalty tax applies to the taxable amount of any premature distribution from a Qualified Contract. The penalty tax generally applies to any distribution made prior to the date you attain age 59 1/2. However, no penalty tax is incurred on distributions:

1. made on or after the date the Contract Owner attains age 59 1/2,
2. made as a result of the Contract Owner's death or total disability,
3. made in substantially equal periodic payments over the Contract Owner's life or life expectancy, or over the joint lives or joint life expectancies of the Contract Owner and the Contract beneficiary,

4. made pursuant to an IRS levy,
5. made for certain medical expenses,
6. made to pay for health insurance premiums while unemployed (only applies for IRAs),
7. made for qualified higher education expenses (only applies for IRAs), and
8. made for a first time home purchase (up to a \$10,000 lifetime limit and only applies for IRAs).

During the first 2 years of the individual's participation in a SIMPLE IRA, distributions that are otherwise subject to the premature distribution penalty, will be subject to a 25% penalty tax.

You should consult a competent tax advisor to determine how these exceptions may apply to your situation.

SUBSTANTIALLY EQUAL PERIODIC PAYMENTS ON QUALIFIED CONTRACTS. With respect to Qualified Contracts using substantially equal periodic payments as an exception to the penalty tax on premature distributions, any additional withdrawal or other modification of the payment stream would violate the requirement that payments must be substantially equal. Failure to meet this requirement would mean that the income portion of each payment received prior to the later of 5 years or the taxpayer's attaining age 59 1/2 would be subject to a 10% penalty tax unless another exception to the penalty tax applied. The tax for the year of the modification is increased by the penalty tax that would have been imposed without the exception, plus interest for the years in which the exception was used. You should consult a competent tax

advisor prior to taking a withdrawal.

INCOME TAX WITHHOLDING ON QUALIFIED CONTRACTS. Generally, ALLSTATE LIFE is required to withhold federal income tax at a rate of 10% from all non-annuitized distributions that are not considered "eligible rollover distributions." The customer may elect out of withholding by completing and signing a withholding election form. If no election is made, we will automatically withhold the required 10% from the taxable amount. In certain states, if there is federal withholding, then state withholding is also mandatory. ALLSTATE LIFE is required to withhold federal income tax at a rate of 20% on all "eligible rollover distributions" unless you elect to make a "direct rollover" of such amounts to an IRA or eligible retirement plan. Eligible rollover distributions generally include all distributions from Qualified Contracts, excluding IRAs, with the exception of:

1. required minimum distributions, or
2. a series of substantially equal periodic payments made over a period of at least 10 years, or,
3. a series of substantially equal periodic payments made over the life (joint lives) of the participant (and beneficiary), or,
4. hardship distributions.

For all annuitized distributions that are not subject to the 20% withholding requirement, ALLSTATE LIFE is required to withhold federal income tax using the wage withholding rates from all annuitized distributions. The customer may elect out of withholding by completing and signing a withholding election form.

If no election is made, we will automatically withhold using married with three exemptions as the default. In certain states, if there is federal withholding, then state withholding is also mandatory.

Election out of withholding is valid only if the customer provides a U.S. residence address and taxpayer identification number.

INDIVIDUAL RETIREMENT ANNUITIES. Section 408 of the Code permits eligible individuals to contribute to an individual retirement program known as an Individual Retirement Annuity (IRA). Individual Retirement Annuities are subject to limitations on the amount that can be contributed and on the time when distributions may commence. Certain distributions from other types of qualified plans may be "rolled over" on a tax-deferred basis into an Individual Retirement Annuity.

ROTH INDIVIDUAL RETIREMENT ANNUITIES. Section 408A of the Code permits eligible individuals to make nondeductible contributions to an individual retirement program known as a Roth Individual Retirement Annuity. Roth Individual Retirement Annuities are subject to limitations on the amount that can be contributed and on the time when distributions may commence.

Subject to certain limitations, a traditional Individual Retirement Account or Annuity may be converted or "rolled over" to a Roth Individual Retirement Annuity. The income portion of a conversion or rollover distribution is taxable currently, but is exempted from the 10% penalty tax on premature distributions.

SIMPLIFIED EMPLOYEE PENSION PLANS. Section 408(k) of the Code allows eligible employers to establish simplified employee pension plans for their employees using individual retirement annuities. Under these plans the employer may, within specified limits, make deductible contributions on behalf of the employees to the individual retirement annuities. Employers intending to use the Contract in connection with such plans should seek competent tax advice.

SAVINGS INCENTIVE MATCH PLANS FOR EMPLOYEES (SIMPLE PLANS). Sections 408(p) and 401(k) of the Code allow eligible employers with 100 or fewer employees to establish SIMPLE retirement plans for their employees. SIMPLE plans may be structured as a SIMPLE retirement account using an IRA or as a Section 401(k) qualified cash or deferred arrangement. In general, a SIMPLE plan consists of a salary deferral program for eligible employees and matching or nonelective contributions made by employers. Employers intending to use the Contract in conjunction with SIMPLE plans should seek competent tax and legal advice.

TO DETERMINE IF YOU ARE ELIGIBLE TO CONTRIBUTE TO ANY OF THE ABOVE LISTED IRAS (TRADITIONAL, ROTH, SEP, OR SIMPLE), PLEASE REFER TO IRS PUBLICATION 590 AND YOUR COMPETENT TAX ADVISOR.

TAX SHELTERED ANNUITIES. Section 403(b) of the Tax Code provides tax-deferred retirement savings plans for employees of certain non-profit and educational organizations. Under Section 403(b), any contract used for a 403(b) plan must provide that distributions attributable to salary reduction contributions made after 12/31/88, and all earnings on salary reduction contributions, may be made only on or after the date the employee:

- .. attains age 59 1/2,
- .. separates from service,
- .. dies,
- .. becomes disabled, or
- .. incurs a hardship (earnings on salary reduction contributions may not be distributed on account of hardship).

These limitations do not apply to withdrawals where ALLSTATE LIFE is directed to transfer some or all of the contract value to another 403(b) plan.

CORPORATE AND SELF-EMPLOYED PENSION AND PROFIT SHARING PLANS. Sections 401(a) and 403(a) of the Code permit corporate employers to establish various types of tax favored retirement plans for employees. Self-employed individuals may establish tax favored retirement plans for themselves and their employees. Such retirement plans (commonly referred to as "H.R.10" or "Keogh") may permit the purchase of annuity contracts.

STATE AND LOCAL GOVERNMENT AND TAX-EXEMPT ORGANIZATION DEFERRED COMPENSATION PLANS. Section 457 of the Code permits employees of state and local governments and tax-exempt organizations to defer a portion of their compensation without paying current taxes. The employees must be participants in an eligible deferred compensation plan. In eligible governmental plans, all assets and income must be held in a trust/ custodial account/annuity contract for the exclusive benefit of the participants and their beneficiaries. To the extent the Contracts are used in connection with a non-governmental eligible plan, employees are considered general creditors of the employer and the employer as owner of the Contract has the sole right to the proceeds of the Contract. Under eligible 457 plans, contributions made for the benefit of the employees will not be includible in the employees' gross income until distributed from the plan.

APPENDIX A
MARKET VALUE ADJUSTMENT

The Market Value Adjustment is based on the following:

I = the interest crediting rate for that Sub-Account's Guarantee Period;

N = the number of complete days from the date we receive the withdrawal request to the end of the Sub-Account's Guarantee Period; and

J = the current interest crediting rate for new Contracts offered for a Guarantee Period of length N on the date we receive the withdrawal request.

If we are not currently offering a Guarantee Period of length N, we will determine J by linear interpolation (weighted average) between the current interest rates for the next higher and lower integral years. If N is less than or equal to 365 days, J will be the rate for a Guarantee Period of 365 days duration.

The Market Value Adjustment factor is determined from the following formula:

$$.9 \times (I - J) \times (N/365)$$

To determine the Market Value Adjustment, we will multiply the Market Value Adjustment factor by the amount withdrawn (in excess of the Preferred Withdrawal Amount), or applied to an Income Plan, from a Guarantee Period, other than amounts withdrawn or applied from a renewal Guarantee Period during the first 30 days thereof. The Market Value Adjustment may also be applied in computing the amount of the death benefit.

EXAMPLES OF MARKET VALUE ADJUSTMENT

Purchase Payment: \$10,000 allocated to a Guarantee Period
Guarantee Period: 5 years
Interest Rate: 4.50%
Full Surrender: End of Contract Year 3

NOTE: These examples assume that premium taxes are not applicable.

EXAMPLE 1: (ASSUMES DECLINING INTEREST RATES)

Step 1. Calculate Contract Value at End of Contract Year 3: $\$10,000.00 \times (1.045)/3 = \$11,411.66$

Step 2. Calculate the Amount in excess of the Preferred Withdrawal Amount:
Preferred Withdrawal Amount
(.10 X 10,000) = \$1,000
Amount in Excess: \$11,411.66 - \$1,000 = \$10,411.66

Step 3. Calculate the Withdrawal Charge: $.06 \times \$10,411.66 = \624.70

Step 4. Calculate the Market Value Adjustment:
I = 4.5%
J = 4.2%
N = 730 days

Market Value Adjustment Factor:
 $.9 \times (I - J) \times N/365 = .9 \times (.045 - .042) \times (730/365) = .0054$

Market Value Adjustment = Market Value Adjustment Factor X Amount Subject to Market Value Adjustment:

$$= .0054 \times \$10,411.66 = \$56.22$$

Step 5. Calculate the amount received by a Contract Owner as a result of full withdrawal at the end of Contract Year 3: $\$11,411.66 - \$624.70 + \$56.22 = \$10,843.18$

EXAMPLE 2: (ASSUMES RISING INTEREST RATES)

Step 1. Calculate Contract

Value at End of Contract Year 3: $\$10,000.00 \times (1.045)^3 = \$11,411.66$

Step 2. Calculate the Amount in excess of the Preferred

Withdrawal Amount:

Preferred Withdrawal Amount
(.10 X 10,000) = \$1,000
Amount in Excess: \$11,411.66 - \$1,000 = \$10,411.66

Step 3. Calculate the Withdrawal Charge:

$.06 \times \$10,411.66 = \624.70

Step 4. Calculate the Market Value Adjustment:

I = 4.5%
J = 4.8%
N = 730 days

Market Value Adjustment Factor: $.9 \times (I - J) \times N / 365$
 $= .9 \times (.045 - .048) \times (730 / 365) = - .0054$

Market Value Adjustment = Market Value Adjustment
Factor X Amount Subject to Market Value Adjustment:

$= - .0054 \times \$10,411.66 = - \56.22

Step 5. Calculate the amount received by Contract Owners as a result of full withdrawal at the end of Contract Year 3:

$\$11,411.66 - \$624.70 - \$56.22 = \$10,730.74$

ITEM 17. UNDERTAKINGS.

The undersigned registrant hereby undertakes:

(1) to file, during any period in which offers or sales are being made, a post-effective amendment to the registration statement:

(i) to include any prospectus required by section 10(a)(3) of the Securities Act of 1933;

(ii) to reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement;

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

provided, however, that paragraphs (1)(i) and (1)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by Registrant pursuant to Section 13 or 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration

statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof;

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the Registrant, Allstate Life Insurance Company, pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

SIGNATURES

Pursuant to the requirements of the Securities Act of 1933, Registrant certifies that it has reasonable grounds to believe that it meets all of the requirements for filing on Form S-3 and has duly caused this registration statement to be signed on its behalf by the undersigned, thereunto duly authorized in the Township of Northfield, State of Illinois on the 2nd day of January, 2003.

This Agreement and Plan of Merger (this "Agreement") is made and entered into and effective the 1st day of January, 2003 by and between Northbrook Life Insurance Company ("NLIC"), an insurance company organized under the laws of Arizona (hereinafter sometimes referred to as the "Merging Corporation"), and Allstate Life Insurance Company ("ALIC"), an insurance company organized under the laws of Illinois (hereinafter sometimes referred to as the "Surviving Corporation"). The Merging Corporation and the Surviving Corporation are sometimes hereinafter severally and collectively referred to as the "Constituent Corporations."

WITNESSETH:

WHEREAS, NLIC was incorporated under the laws of Illinois on February 1, 1960 and redomesticated to the State of Arizona on December 28, 1998, and has an authorized capital stock of \$2,500,000, consisting of 25,000 shares of common stock having a par value of \$100 per share, all of which are issued and outstanding;

WHEREAS, ALIC was incorporated under the laws of the State of Illinois on March 6, 1957, and has an authorized capital stock of \$305,402,600, consisting of 23,800 shares of common stock having a par value of \$227 per share, all of which are issued and outstanding, and 3 million shares of non-voting preferred stock with a par value of \$100 per share of which 1,035,610 shares are outstanding as of September 27, 2002; and

WHEREAS, the respective Boards of Directors of each of the Constituent Corporations have determined that it is advisable and in the best interest of both of the Constituent Corporations and their stockholders that NLIC be merged into ALIC in accordance with the terms and conditions hereinafter set forth, pursuant to and in accordance with the laws of the States of Arizona and Illinois, which laws permit such mergers.

NOW, THEREFORE, in order to effect the transactions contemplated by this Agreement and Plan of Merger and in consideration of the premises and the mutual covenants and agreements herein contained, it is hereby agreed as follows:

ARTICLE I

1.1 Merger. In accordance with the applicable provisions of the laws of the States of Arizona and Illinois, and subject to the terms and conditions of this Agreement, NLIC shall be merged with and into ALIC (the "Merger") on the Effective Date. The separate existence of NLIC shall cease and the existence of ALIC shall continue unaffected and unimpaired by the Merger with all rights, privileges, immunities and powers, and subject to all the duties and liabilities of a corporation organized under the insurance laws of the State of Illinois.

ARTICLE II

2.1 Articles of Incorporation. The Articles of Incorporation of ALIC, as in effect on the Effective Date and attached hereto as Annex A, shall from and after the Effective Date be and continue to be the Articles of Incorporation of the Surviving Corporation until changed or amended as provided by law.

2.2 By-Laws. The By-Laws of ALIC, as in effect on the Effective Date and attached hereto as Annex B, shall from and after the Effective Date be and continue to be the By-Laws of the Surviving Corporation until altered, amended or repealed as therein provided.

2.3 Board of Directors. The Board of Directors of ALIC in office on the Effective Date shall continue in office and shall constitute the directors of the Surviving Corporation for the term elected, until their respective successors shall be duly elected or appointed and qualified in accordance with the Articles of Incorporation and By-Laws of the Surviving Corporation.

2.4 Officers. The officers of ALIC in office on the Effective Date shall continue in office and shall constitute the officers of the Surviving Corporation for the term elected, until their successors are duly elected or appointed and qualified in accordance with the By-Laws of the Surviving Corporation.

2.5 First Annual Meeting of Shareholders. The first Annual Meeting of Shareholders of the Surviving Corporation to be held after the Effective Date shall be the Annual Meeting of Shareholders provided for in the By-Laws.

ARTICLE III

3.1 Shareholder and Insurance Regulatory Approvals. This Agreement shall be submitted to the shareholder of each Constituent Corporation for adoption and approval and to the Commissioner of Insurance of the State of Arizona and the Director of Insurance of the State of Illinois for approval.

3.2 Effective Date. The Merger shall become effective at 12:01 a.m. on January 1, 2003, provided that all required regulatory approvals have been received by that date. If all such approvals have not been received by that date, then the Merger shall occur on the date the last such regulatory approval is received but shall be effective as of 12:01 a.m. on January 1, 2003 (the

"Effective Date").

ARTICLE IV

4.1 Common Stock. All of the common stock of NLIC issued and outstanding immediately prior to the Effective Date shall be cancelled on the Effective Date and all of the common and preferred stock of ALIC issued and outstanding immediately prior to the Effective Date shall remain unchanged and shall be the common and preferred stock of the Surviving Corporation after the Effective Date.

ARTICLE V

5.1 Rights and Privileges of the Surviving Corporation. After the Effective Date, the separate existence of NLIC shall cease and in accordance with the terms and conditions of this Agreement, the Surviving Corporation shall possess all rights, privileges, immunities, powers and franchises as well of a public as of a private nature, and shall be subject to all the restrictions, disabilities and duties of each Constituent Corporation; and all property, real, personal and mixed, including all patents, applications for patents, trademarks, trademark registrations and applications for registration of trademarks, together with the good will of the business in connection with which said patents and marks are used, and all due on whatever account, including subscriptions to shares of capital stock, and all other choses in action and all and every other interest of or belonging to or due to each of the Constituent Corporations shall be deemed to be transferred to and vested in the Surviving Corporation without further act or deed, and the title to any real estate, or any interest therein, vested in either of the Constituent Corporations shall not revert or be in any way impaired by reason of the merger.

5.2 Liabilities and Obligations of the Surviving Corporation. After the Effective Date, the separate existence of NLIC shall cease and in accordance with the terms and conditions of this Agreement, the Surviving Corporation shall be responsible and liable for all the liabilities and obligations of each of the Constituent Corporations; and any claim existing or action or proceeding pending by or against either of the Constituent Corporations may be prosecuted to judgment as if the Merger had not taken place, or the Surviving Corporation may be substituted in its place. Neither the rights of creditors nor any liens upon the property of either of the Constituent Corporations shall be impaired by the Merger, and all debts, liabilities and duties of each of said Constituent Corporations shall thenceforth attach to the Surviving Corporation, and may be enforced against it as if said debts, liabilities and duties had been incurred or contracted by it.

5.3 Execution and Delivery of Necessary Instruments. From time to time, as and when requested by the Surviving Corporation or by its successors or assigns, NLIC shall execute and deliver or cause to be delivered all such other instruments, and shall take or cause to be taken all such further or other actions, as the Surviving Corporation, or its successors or assigns, may deem necessary or desirable in order to vest and confirm to the Surviving Corporation and its successors and assigns, title to and possession of all the property, rights, privileges, powers and franchises referred to in this Article V and otherwise to carry out the intent and purpose of this Agreement. From time to time, as and when necessary, the Surviving Corporation shall execute and deliver or cause to be executed and delivered all such other instruments, and shall take or cause to be taken all such further or other actions, as are necessary or desirable in order to assume or otherwise comply with the outstanding debts, duties or other obligations of NLIC.

5.4 Assets, Liabilities and Reserves. The assets, liabilities and reserves of the Constituent Corporations, upon the Effective Date, shall be taken upon the books of the Surviving Corporation at the amounts at which they, respectively, shall then be carried on the books of the Constituent Corporations, subject to such adjustments or eliminations of intercompany items as may be appropriate in giving effect to the Merger.

5.5 Corporate Acts and Plans. All corporate acts, plans, policies, resolutions, approvals and authorizations of the shareholders, Board of Directors, committees elected or appointed by the Board of Directors, officers and agents of NLIC, which were valid and effective immediately prior to the Effective Date shall be taken for all purposes as the acts, plans, policies, resolutions, approvals, and authorizations of the Surviving Corporation and shall be effective and binding thereon as the same were with respect to NLIC.

ARTICLE VI

6.1 Termination and Abandonment. At any time prior to the filing or recording of this Agreement or a certificate in lieu thereof with the appropriate officials of Arizona or Illinois, notwithstanding the approval hereof by the shareholders of the Constituent Corporations, the Boards of Directors of the Constituent Corporations may cause the Merger and all transactions contemplated by this Agreement to be abandoned or delayed if such Boards determine that such abandonment or delay would be in the best interests of the Constituent Corporations and their shareholders. In the event of termination or abandonment of this Agreement and the Merger pursuant to the foregoing provision of this Article VI, this Agreement shall become void and have no effect, without any liability on the part of either of the Constituent Corporations or its shareholders or directors and officers in respect thereof.

ARTICLE VII

7.1 Execution in Counterparts. For the convenience of the parties hereto and to facilitate the filing and recording of this Agreement, this Agreement may be executed in one or more counterparts, each of which will be deemed to be an original instrument but all of which taken together shall constitute one and the same document.

7.2 Amendments, Supplements, etc. At any time before or after approval and adoption by the respective shareholders of the Constituent Corporations but prior to the Effective Date, this Agreement may be amended in matters of form or substance, or supplemented by additional agreements, articles, or certificates, to the extent permitted by the laws of the States of Arizona and Illinois, as may be determined in the judgment of the Boards of Directors of the Constituent Corporations to be necessary, desirable or expedient to clarify the intention of the parties hereto or effect or facilitate the filing, recording or official approval of this Agreement and the consummation hereof and the Merger provided for herein, in accordance with the purpose and intent of this Agreement.

IN WITNESS WHEREOF, this Agreement and Plan of Merger having been authorized, adopted and approved by resolutions duly adopted by the respective Boards of Directors of the Constituent Corporations at meetings duly called and held, and having been approved by the consent of the sole shareholder of each Constituent Corporation, each of the Constituent Corporations has caused this Agreement and Plan of Merger to be signed by its President and Secretary under the corporate seals of the respective Constituent Corporations.
